WHAT IS P.I.?

Purpose Institute is a ministry training institution that partners with local Apostolic trainers anywhere in the world. PI enables trainers to help leaders develop ministry skills and clarify their individual purpose. Purpose Institute supports the local mission by providing curriculum and systems which serve as an adaptable and accessible ministry training resource.

TUITION & FEES

Current tuition rates can be viewed online at www.PurposeInstitute.com. In addition to course tuition, all new students pay a one-time, non-refundable registration fee before enrolling for the first time. Graduation fees are assessed when students apply for a diploma.

Most courses require an associated book that needs to be purchased or borrowed to read for homework. However, Purpose Institute suggests a book purchase in order for the student to build his or her own library for later use.

"OUR TARGET IS THE HARVEST..."

THE CONCEPT

OUR TARGET IS THE HARVEST

THE BOW

PURPOSE INSTITUTE sees itself as the Bow. We are a tool that trainers can use to launch their students into Apostolic Ministry. We are consistently working to improve our operations, curriculum and systems to be as effective as possible at providing Apostolic Training at the local level.

THE ARCHER

We support LOCAL TRAINERS by developing curriculum and systems that provide adaptable ministry training resources. We provide startup and ongoing support with setup, faculty orientation administration, and core campus functions. We develop multilingual curriculum and operating systems that serve local leaders in their training for ministry.

THE ARROW

We provide STUDENTS with a simple process to enroll, an adaptable schedule and an engaging curriculum, so they can maximize their potential and remain in their field of ministry while they are trained by local trainers.

CURRICULUM

The curriculum has been designed to cycle in eight semesters. A student can begin at any point in the cycle and follow the curriculum through to completion. Each semester is designed to be a good mix of courses that include a focus on biblical, leadership, and spiritual training. The curriculum is currently available in multiple languages. For all available languages, please visit www.PurposeInstitute.com.

Semesters end with testing in each of the subjects.

ARTICULATION AGREEMENTS

After successfully completing the PI curriculum on a local campus, some graduates may need to continue their formal education at the college level. Fortunately, PI graduates have the option of transferring their credits from PI into Ohio Christian University's AA in Christian Ministries, into any of Urshan College's degree programs, and into Global Association of Theological Studies (Global Missions UPCI). These educational institutions offer their transfer agreement to students on campus or through their online delivery program. Currently, UC's online program is available to students in 29 US states, 4 Canadian provinces, and a wide range of other countries. PI graduates must meet all of the standard admissions requirements for the respective schools.
