WHAT IS P.I.?

Purpose Institute is a ministry training institution that partners with local Apostolic trainers anywhere in the world. PI enables trainers to develop leader's ministry skills and to clarify their individual purpose. Purpose Institute supports the local mission by providing curriculum and systems that are adaptable and accessible ministry training resources.

TUITION & FEES

Current tuition rates can be viewed online at www.PurposeInstitute.com. In addition to course tuition, all new students pay a one-time, non-refundable registration fee before enrolling for the first time. Graduation fees are assessed when students apply for a diploma.

Most courses require an associated book that needs to be purchased or borrowed to read for homework. However, Purpose Institute suggests a book purchase in order for the student to build his or her own library for later use.

THE CONCEPT

THE ARCHER

We support LOCAL TRAINERS by developing curriculum and systems that provide adaptable ministry training resources. We provide startup and ongoing support with setup, faculty orientation, administration, and core campus functions. We develop multi-lingual curriculum and operating systems that serve local leaders in their training of ministry.

THE BOW

PURPOSE INSTITUTE sees itself as the Bow. We are a tool that trainers can use to launch their students into Apostolic Ministry. We are consistently working to improve our operations, curriculum and systems to be as effective as possible at providing Apostolic Training at the local level.

THE ARROW

We provide STUDENTS with a simple process to enroll, an adaptable schedule and an engaging curriculum, so they can maximize their potential and remain in their field of ministry while they are trained by local trainers.

CURRICULUM

The curriculum has been designed to cycle in eight semesters. A student can begin at any point in the cycle and follow the curriculum through to completion. Each semester is designed to be a good mix of courses that include a focus on Biblical, leadership, and spiritual training. The curriculum is currently available in multiple languages. For all available languages, please visit www.PurposeInstitute.com.

TIME REQUIREMENTS

Most Purpose Institute campuses use a ONE-WEEKEND PER MONTH format, (Friday | 7pm-10pm & Saturday | 8am-4:30pm), which allows students with busy schedules including work, family, and church the opportunity to invest in ministry training. However, there is a significant demand on a student's time outside of the classroom. In addition to the 44 hours of classroom training per semester, students must devote time between sessions to read required books, answer review questions, write essays, and obtain Field Experience Credits. Semesters end with testing in each of the subjects.

DIPLOMAS

Purpose Institute offers two diplomas. The Foundational Diploma in Ministerial Studies is awarded after the successful completion of four semesters of classroom training and work. The Advanced Diploma in Ministerial Studies is awarded after the successful completion of eight semesters of classroom training and work.

ARTICULATION AGREEMENTS

After successfully completing the PI curriculum on a local campus, some graduates may need to continue their formal education at the college level. Fortunately PI graduates have the option of transferring their credits from PI into Ohio Christian University's AA in Christian Ministries or any of Urshan College's degree programs. Both colleges offer their transfer agreement to students on campus or through their online delivery program. At time of publication, UC's online program is available to students in 29 US states, 4 Canadian provinces, and a wide range of other countries. PI graduates must meet all of the standard admissions requirements for the respective schools. See the colleges' websites for admissions information. (ohiochristian.edu or urshancollege.org)
